iamdavidrivas - freelance

Owner & inclusive designer

Mar 2014 - Present | Broken Arrow, OK

I've worked as a designer for over 100+ small to medium businesses in the Tulsa area and across the U.S., Mexico & Canada.

I've worked on UX projects with my employers and as a freelancer. All the way from the research process, down to the test and launch process. I have experience with research, visual design, graphic design, wire-framing, prototyping, and low/high-fidelity designs.

PCI Energy Solutions
